Machinery Area MACHINES AT WORK

Find exhibiting manufacturing machinery, technology and equipment suppliers in one dedicated area on-site at Pharmapack.

The zone offers exhibiting companies the extra space they need to display their machinery at the show and allows visitors to see equipment 'in the flesh', get live demonstrations from the experts behind it, ask questions, and find out how it works. Exhibiting companies include Harro Hoefliger, Antares Vision, Mikron Automation and TeamTechnik Group!

Exhibition & Conference

13-14 October 2021

Paris Expo, Porte de Versailles
Hall 7.2, Paris, France
